## VIBRANT HUES

Art Magnum presents 'Vibrant Hues', in the city of Ahmedabad which is considered as vivacious in its history and culture, prominently known for its rich heritage and urbanization. Not forgetting to mention that the city is also the center for enormous economic activities.

Certain places hold great value in making the diverse collections seem more energetic. Talking of different styles, mediums and genres, we evidently witness all of them in the showcased artworks by the Masters, Senior, Contemporary artists and the emerging ones.

Achuthan Kudallur, Akkitham Narayanan, A. Rajeswara Rao, Bhupen Khakhar, Francis Newton Souza, Ganesh Haloi, G. Reghu, Haren Thakur, Hemavathy Guha, Himnti Sen, Jagdish Swaminathan, Jamini Roy, Jaya Ganguly, Jeram Patel, Jogen Chowdhury, Kavin Mehta, K. G. Subramanyan, K. Muralidharan, Mainaz Bano, Mukhtar Ahmed Sardar, Prabhakar Kolte, P. R. Daroz, Ram Kumar, Rekha Hebbar Rao, Nandalal Bose, Sailoz Mookherjea, Sohan Qadri.

The composition and the expression by each of these artists, depicts the thought process and the outburst of their inner most contemplation and feelings. This concoction presentation by various artists, show the darker and more serious sides. They walk us through some selfless satire, while the others create some interesting debatable dialogues. Holistically one can observe the creative excellence though for a few its experimenting and exploring of forms and practice new ways of capturing moments with meaning on their canvases, paper, through sculptures.

Come to the world of mesmerizing creative inspiration. Introspect on the beauty of expression & emotions via the Vibrant.

An abstract painting featuring warm, earthy tones of ochre, sienna, and terracotta. The composition is dominated by thick, expressive brushstrokes and layered textures. In the upper left, there are vertical, rhythmic strokes in shades of yellow and brown. A large, dark, horizontal shape, possibly a shadow or a draped fabric, stretches across the middle. Below this, a lighter, more textured area suggests a surface or a body of water. In the bottom right corner, there is a stylized, dark outline of a hand or a face, adding a human element to the abstract scene. The overall mood is contemplative and textured.
